- Grande comfort di marcia grazie ad un'apposita progettazione
- Comandi ottici e sonori direttamente dal manubrio
- Cruise control e retromarcia di serie
- Soft start
- Settaggio personalizzabile della macchina
- Bracci di aggancio richiudibili
- Attacchi in lega leggera anodizzata con morsetto universale anti-graffio adatto ad ogni tipo di tubolare della carrozzina
- Inserimento rapido ed intuitivo dei bracci di aggancio con battuta di fine corsa pre-registrabile e sicurezza elettronica di serie per l'arresto macchina in caso di emergenza
- Sicurezza meccanica opzionale anti-sgancio accidentale

- Great ride comfort thanks to a special design
- Optical and sound controls directly from the handlebars
- Cruise control and reverse gear as standard
- Soft start
- Customizable machine setting
- Closable hooking arms
- Anodized light alloy attachments with universal clamp anti-scratch suitable for any type of wheelchair tubular
- Quick and intuitive insertion of the hooking arms with pre-adjustable end run stop and electronic safety standard for machine stop in case of emergency
- Optional mechanical safety against accidental release

Caratteristiche tecniche: / Technical features:

Struttura // Structure	acciaio verniciato / painted steel
Motorizzazione / Motorization	350 W
Pneumatici / Tires	a scelta in base all'utilizzo / selectable tires based on use
Freni / Brakes	meccanico a doppia pinza e doppia leva / mechanic double calliper and double lever
Manubri / Handlebars	a scelta tra 4 modelli / to be chosen among 4 models
Display / Display	multifunzione retroilluminato / backlit multi-function
Velocità massima / Maximum speed	programmabile / programmable
